

The background of the poster is a detailed illustration of a Christmas parade in a snowy town. In the foreground, a large red vintage fire truck is decorated with white lights and a red bow on its grille. Behind it, a red pickup truck and a green vintage car are also decorated. The street is wet and reflects the lights. In the background, there are snow-covered evergreen trees, a clock tower, and buildings with warm lights glowing from their windows. People are visible on the sidewalks watching the parade. The entire scene is framed by a decorative border with pine branches and stars.
